STEP 1

Click on the wireless network connection on the task bar next to the clock to show available wireless networks.

STEP 2

Click on BWCGuest in the available networks and click on Connect.

STEP 3

Once connected, open any web browser (Internet Explorer, Firefox, Safari, etc.). Any page you go to will redirect you to the Baldwin-Wallace Wireless Terms and Conditions page. Click Accept on the bottom of the page to accept the terms and conditions. After clicking on Accept, you will be redirected to the Baldwin-Wallace homepage. You can now surf the web.
