# Quick Card

## iPod Touch, iPhone, and iPad Profile Setup

### iPhone & iPod Touch

1. Go to [setupmywifi.bw.edu](http://setupmywifi.bw.edu). A screen like the one on the right will appear. Click **OK**.

2. Click **Install** on the next screen.

---

For more information, please contact the B-W helpdesk at 440.826.7000 or helpdesk@bw.edu
3. Click **Install Now**.

4. **If you have a password on your phone, you will need to perform this step. If you do not, skip this step.**

   Enter your passphrase for your phone.
5. Enter your BW username *without* @mail.bw.edu and password. You are now connected to the BW network.
**To Delete Previous Profiles**

1. Go to **Settings** on the home screen and then tap on **General**.

2. Scroll down through the list and then tap on any profiles shown under **Profile**.

---

**Quick Card**

For more information, please contact the B-W helpdesk at 440.826.7000 or helpdesk@bw.edu
3. Tap **Remove** for any profiles you want to remove.
